

**Walder Education of Torah Umesorah**  
in conjunction with the ATT

# **Alternate Ways of Evaluating Students for Learning**

Led by:

**Rabbi Jeffrey Holman**

Principal of General Studies  
Yeshiva Ohr Boruch

**Grading systems  
need to be fair and  
accurately reflect a  
student's ability and  
potential.**

*Just as a "one size fits all" approach does not work with instruction, the same is true for student evaluation. Is testing the only way, or can it be part of a more dynamic classroom? Teachers will be presented with a variety of alternative ways to assess student learning. For Kindergarten through 8th grade teachers. 1/4 ATT Credit*
